

CALL FOR PAPERS

29th International Conference Information Society and University Studies

Kaunas Faculty

VYTAUTAS MAGNUS UNIVERSITY

May 17, 2024
Kaunas, Lithuania

29th International Conference „Information Society and University Studies“ IVUS2024 is the continuation of the annual conference series organized in succession by three universities: **Vilnius University Kaunas Faculty, Vytautas Magnus University and Kaunas University of Technology**. The event was started in 1995. In 2017 conference became an international event. For the reason of a long history of this conference, we left conference acronym according to it's Lithuanian title "Informacinė visuomenė ir universitetinės studijos" - IVUS.

And since 2017 it is a joint event that brings together our colleagues and organising partners **Silesian University of Technology**, Gliwice, Poland.

These conferences are aimed at Master & PhD students together with their supervisors as well as at young scientists, researchers, practitioners of the field to share ideas, present research results and provide new scientific opportunities.

TOPICS

Authors are invited to submit full papers describing original research work associated with Information and Software Technologies in areas including but not limited to:

- ❖ *Information Systems and Databases*
- ❖ *Smart Systems and Environments*
- ❖ *Software Engineering*
- ❖ *Information Technology Applications*
- ❖ *Formal and Mathematical Methods*
- ❖ *Artificial Intelligence and Knowledge Engineering*
